

Single Use 

FOAM SWAB APPLICATOR

We are launching our successfully refined polystyrene applicator with green foam head which is used for mouth care.

The oral swab has been redesigned with a helical grooved grip to maximize surface adhesion of the foam block and provide a good overall user experience.

If you wish to receive samples and/or an offer, please contact us either by phone : +41 21 948 92 74 or email : sales@applimed.ch.

We will launch this new design when our original product is sold out (please check out our promotion). You will be notified by email as soon as it is available.
