

Single Use

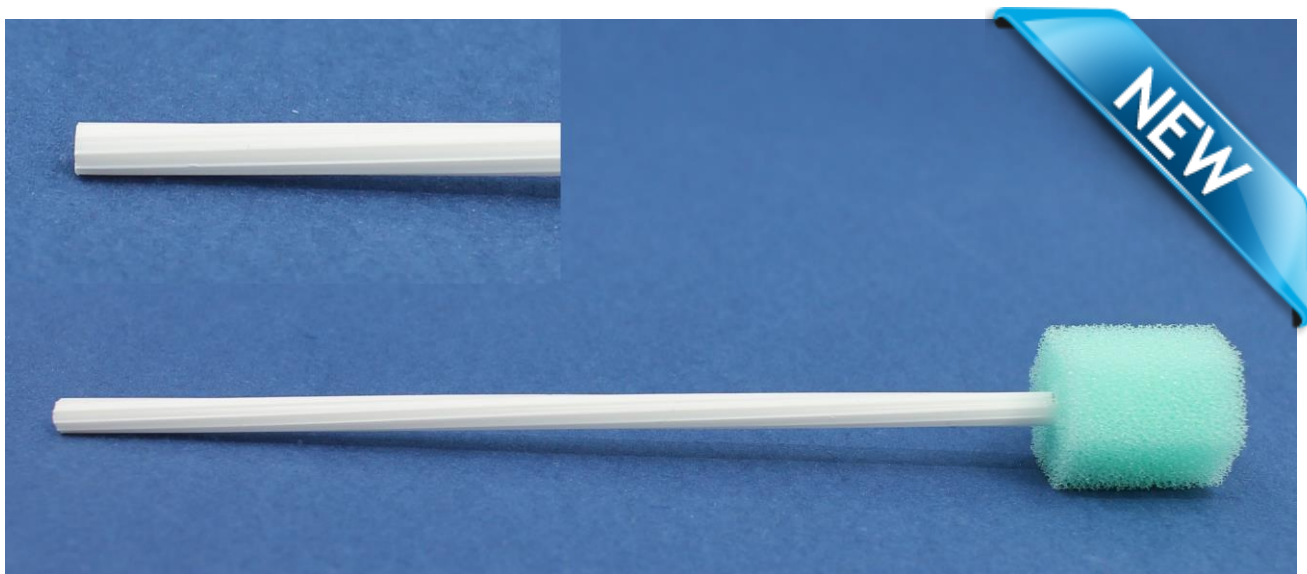

FOAM SWAB APPLICATOR

! Newly designed sticks available now !

We are launching our successfully refined polystyrene applicator with green foam head which is used for mouth care.

Our oral swab has been redesigned with a **helical grooved grip** to **maximize surface adhesion** of the foam block and provide an good overall user experience.

If you wish to receive samples and/or an offer, please contact us either by phone : +41 21 948 92 74 or email : sales@applimed.ch.
